

Resource **Memory**

- *Kim's game* Place 4, 5 or 6 items on a tray and remove one at a time while the child closes their eyes. They must then tell you what is missing. Increase the number of items as appropriate.
- *Matching pairs* Place picture, letter or number cards face down on the table – children must take turns to turn over two at a time and collect matching pairs.
- Look at a picture for 30 seconds (or longer) and then describe what was on it/answer questions about it.
- Play 'I went to market and I bought/ I packed my suitcase and put in...' etc.
- Repeat nursery rhymes, poems, songs, drum beats, number sequences.
- Arrange coloured counters, toy cars, beads in a certain order or pattern; cover with cloth and ask child to duplicate the formation
- Practise a simple dance sequence or action rhyme
